RESOURCES

Problem Solving	A Role Play Simulation game	Instructions how this activity is implemented.	https://academictechnologies.it.miami.edu/explore-technologies/technology-summaries/role-play-and-simulations/index.html	This exercise helps participants to have some new responsibilities in a role playing/simulation that they might not be accustomed to. By applying this exercise, the instructor of a game keeps a relatively low profile and participants are free to interact with each other spontaneously.
Communication & Motivation	Human knot	Pictures and activity description.	https://icebreakerideas.com/human-knot/	The Human Knot is a popular game where people learn to work together. This game is great icebreaker for a team of new people or as a get to know each other activity.
Communication & Motivation	Cube	Five ways to use cubing.	https://www.fortheteachers.org/friday-five-cubing/	Cubing is an instructional strategy designed to help students think about a topic or idea from many different angles.

RESOURCES

Communication & Motivation	5 minute writing	Writing Prompts by Topic	https://www.homeschoolhere.com/5-minute-creative-writing-prompts/	Creative writing gives children a chance to move beyond the textbook and create a piece of work where no answer is wrong.
Problem Solving	5 minute writing	Writing Tip: 5 Minute Writing Exercise	https://www.youtube.com/watch?v=IdN9RdVuhcs	
Problem Solving	Mirroring communication	Communication Mirroring: To Be More Effective, Be More Reflective	https://www.assessments24x7.com/blog/mirroring/	In the workplace, there are many situations in which it would benefit us to put other people at ease. But that is not always easy to do. So, here is the simple psychological technique you can use. It is one you have already mastered, because we all do this naturally with the people we are closest to.
